

The Children's Memorial Garden

A groundbreaking ceremony for the Children's Memorial Garden was held on Sunday, May 6, 2001. After many fundraising efforts, support from our community, dedicated volunteers, the Hilton Head Hospital and the Hospital Auxiliary . . . the Garden continues to grow.

The Children's Memorial Garden is a beautiful, tranquil place to honor and remember our sons and daughters who have died; a place for families and friends to heal and reflect.

The Children's Memorial Garden is located on the front campus of the Hilton Head Hospital. The focus of the Garden is the personalized memorial bricks, surrounded by beautiful walking paths, sitting areas and a waterfall fountain.

As we continue to raise funds for The Children's Memorial Garden, we also want to raise awareness for those who long for a place of serenity. We encourage families and friends to visit the Garden and let it help soothe your heart and soul.

*The Children's Memorial Garden is a partnership
with The Hospital Auxiliary and the Hilton Head Hospital.*

Individual and corporate donations are graciously accepted and can be made through the partners of The Children's Memorial Garden: The Hospital Auxiliary, a non-profit, 501 C-3 organization.

Personalized memorial bricks for your child are always available. Please complete the form and mail to the address below.

Make checks payable to:
