The Hospital Auxiliary recently presented $46,000 in scholarships for area nursing and health care students. Our aim is to attract new students and help to address the shortage of nurses in the Lowcountry. Over the past 32 years, the Auxiliary has donated approximately $750,000 in scholarships through proceeds from its Annual Hospital Auxiliary Invitational Golf Tournament held at Harbour Town and Wexford. Profits from the 2018 tournament were allocated as follows:

- $20,000 for the nursing and allied health program at the Technical College of the Lowcountry from our GOLD Sponsors,
- $6,000 for the nursing program at USC Beaufort from our tournament SILVER Sponsors,
- $5,000 for the nursing program at USC Beaufort from The Corkern Group, our presenting sponsor,
- $5,000 for The Hospital Auxiliary’s Women’s Health Program from the players and sponsors of the tournament, and
- $10,000 in scholarships for qualified hospital volunteers and children of hospital employees to pursue degrees in the medical field.

NEWS AND NOTES

AUXILIARY CARING TOUCH PROGRAM (A.C.T.)
The A.C.T. Program provides financial assistance to qualified patients discharged from specific local medical facilities who are unable to pay for certain healthcare needs. Emergency help is provided to pay for critically needed prescription medicines or special equipment for a limited time.

The program is funded through the proceeds from sales at the Hospital Auxiliary Gift Shops. For the first 8 months of 2019 funds were provided as follows:
- Hilton Head Hospital $9,288.
- Coastal Carolina Hospital 8,097.
- ANDA/Volunteers in Medicine-HH 9,000.
- Volunteers in Medicine-Bluffton 9,000.
- Year to date, a total of 97 patients have been assisted.

Don Harrison has announced his retirement from the Auxiliary Board. He has been an active member of the board and was appointed Chairman of the Auxiliary Caring Touch program in 2014. We appreciate the many hours Don has spent keeping the A.C.T. program up and running and making sure money and services were properly distributed. Vicki Gorbett was recently appointed to take over Don’s area of responsibility. Thank you, Don, for your service. We will miss you!

NEW BOARD MEMBER—VICKI GORBETT
Vicki Gorbett has been a volunteer in Human Resources at Coastal Carolina since August, 2018. Prior to her retirement last year, she worked as the Vice President of HR Systems, Compensation and Benefits for MedExpress Urgent Care, a subsidiary of United HealthCare. Vicki is an experienced human resource and finance professional with expertise in mid-to large-size organizations and over 30 years industry experience in Healthcare, High-tech, Education and Retail. Vicki and her husband, Tom, a public accountant in private practice, relocated from the Chicago area in 2015 and have been enjoying all the benefits the lowcountry has to offer.

WOMEN’S HEALTH AWARENESS
The Hospital Auxiliary Women’s Health Program received a check for $5,000 from the proceeds of the Hospital Auxiliary Invitational Golf Tournament. The check was presented by President Dave Hales and Women’s Health Program Chairman JoAnne Barrs to Dr. Rochelle Ringer, breast surgeon, and Judy Horton, RN, BSN (see photo on page 1). The Auxiliary recently purchased 200 handbooks that are used by the breast cancer support group at a cost of $3,800. We will also purchase 30 insulated cups to be given out to the support group on Thursday, October 3 for breast cancer awareness month.
AUXILIARY HAPPENINGS

President’s Message
Dave Hales

Greetings, fellow volunteers.
Here are a few selected shorts:

Annual Golf Tournament
Thanks to our wonderful sponsors and golfers, $46,000 was given out from the proceeds of our 32nd annual tournament. Our sponsors and donors are listed in the thank you ad on page 5. Our 33rd annual tournament will be played at Harbour Town Golf Links and Wexford Golf Club on December 2 & 3. Volunteers will again be needed to make this event another great success.

Auxiliary Gift Shop Holiday Boutique & Bake Sale
This is the Auxiliary’s other signature event and we hope you will support it again this year at Hilton Head Hospital on November 6, 7 & 8 and at Coastal Carolina Hospital on November 20, 21 & 22. Come see all the new items we have to get an early start on your holiday shopping. Remember—no sales tax and gift wrapping!

Auxiliary Walls of Fame
The wall display that has been up in the main hallway at Hilton Head Hospital across from the cafeteria entrance has been duplicated at Coastal Carolina Hospital, so the Auxiliary now has a prominent presence at both of our hospitals. I encourage all of our volunteers to check out this display. In doing so, please pause in front of it for a few minutes until you draw a crowd. Then say something like, “Wow! This Hospital Auxiliary is a great organization.”

Rockin’ the Pink
A special thank you to Marty Eidemiller for taking part in the annual Lowcountry Rockin’ the Pink Walk sponsored by the Bluffton Fire Department. As a result, the Hospital Auxiliary received a donation of $3,000 which will be put to good use in our Women’s Health Care Program.

Volunteer/Auxiliary Board Recruitment
As you know, the recruitment of quality volunteers in our community is becoming more and more competitive. Julia Rathke, our Volunteer Services Manager, works constantly in this regard, but we are the best ambassadors for recruiting volunteers. Please tell others about your volunteer experiences, and encourage those who have the time to consider volunteer options at our hospitals. And if you are interested in providing leadership as a member of our Auxiliary Board, please contact me or one of our board members, as our Nominating Committee will be active soon.

As always, thank you for your service to our patients, our staff, and our guests.

Auxiliary Donates $18,000 to VIM
Volunteers in Medicine Hilton Head and Volunteers in Medicine Bluffton each received a donation of $9,000 from the Hospital Auxiliary from our Auxiliary Caring Touch Program (ACT). The funds were generated by proceeds from the gift shops at Hilton Head Hospital and Coastal Carolina Hospital. The total budget for the ACT program in 2019 is $40,000.

“Our volunteers are invaluable assets to our hospitals and their Auxiliary Caring Touch Program directly impacts local patients who may not be able to afford their medicine,” said Jeremy Clark, chief executive officer of Hilton Head Regional Healthcare. “The Auxiliary’s continued commitment to serving the members of our community is truly inspiring!”

Children’s Memorial Garden
The Children’s Memorial Garden held their 18th annual ceremony on Sunday, May 5th. The day was very special and ended with a beautiful butterfly release. Lamont Stevens serenaded attendees with his beautiful voice and Brandon Arrieta gave a profound personal reflection about his son, Alex, who passed away at the age of 10.

This annual ceremony allows parents and loved ones to come together to share their common bond of losing a child and to support each other in spirit, song, and most importantly, camaraderie and love. It is a very heartwarming day filled with love and kindness. The Children’s Memorial Garden is a place to honor children—young and old—who have passed.

On behalf of The Children’s Memorial Garden, Amy Metzger would like to express gratitude to Arbor Nature Tree Experts who performed some much needed tree work in our special Garden and did this as a donation. The tree work allows more sunlight to come into the Garden and helps it grow. For more information about the CMG please call Amy Metzer (843-384-2859) or Julie Feldman (843-298-1967).
**Auxiliary Happenings**

**Renovation of Chapel at CCH**

The Hospital Auxiliary donated $4,000 to renovate space for a Chapel at Coastal Carolina Hospital, dedicated in honor of past and present volunteers. The project was lead by Marge Sieban, long time volunteer at Coastal and a member of the Hospital Auxiliary Board. Marge selected the paint, draperies, furnishings, and furniture for the Chapel.

The signature feature of the chapel is the beautiful stained glass dove that is framed in the entrance door. This piece was designed, created, and donated by Sammie Condron of the Sun City Glasscrafters Club. The framing and installation of the stained glass was donated by Chuck Scott, Superintendent of Highsmith Construction.

![Image of the Chapel]

In addition to our fresh flower arrangements, we are now offering dish gardens. Presented in a ceramic bowl or in a basket, this long-lasting gift is a great way to wish a patient a speedy recovery or to welcome a new baby. We will promptly deliver with no tax, no delivery charge, and all credit cards and debit cards accepted. Just call or stop by.

Hilton Head Gift Shop—843-689-8459
Coastal Carolina Gift Shop—843-784-8191

**Gift Shop News**

The Gift Shops at Hilton Head Hospital and Coastal Carolina Hospital are operated by The Hospital Auxiliary. We are pleased to offer gifts for all occasions, sundries and snacks. We look forward to having you stop by from time to time to see our varied, changing collection. Since the Auxiliary is a not-for-profit organization, we do not charge sales tax and all of our proceeds benefit the Auxiliary Caring Touch Program (ACT) which assists those in our community who are in need.

**Save the Date**

ANNUAL HOLIDAY BOUTIQUE AND BAKE SALE

Hilton Head Hospital Lobby
November 6, 7, 8

Coastal Carolina Hospital Lobby
November 20, 21, 22

**Help Needed**

Ever thought you’d like to work in a Gift Shop? Our Gift Shops are in need of smiling faces to welcome patients, visitors and staff. If you have extra time from your current volunteer obligation or know of someone who would like to help, please contact Julia (843-689-8201) or Dotty (843-689-8247) for more information and ways you can assist in the operation of our shops.
Plans are well underway for the 33rd Annual Hospital Auxiliary Invitational Golf Tournament. Thanks to Tournament Chairman Bob Elliott and his committee members—Dr. Joe Cervone, Susan Silver, Dave Hales, Jim Knell, Joe Baker, Chris Olsen and Kim Elliott—we know that this year's tournament will be even bigger and better. Tournament dates are December 2 and 3 at Harbour Town Golf Links and Wexford Golf Club. The event will again be a sellout this year. If you are interested in volunteering to help out on either day, please contact Dave Hales at (847)722-2323 or Julia Baldree-Rathke at (843)689-8201.

**AUXILIARY WALL OF FAME**

Please be sure to stop and check out the Hospital Auxiliary Wall of Fame in the hallways of Hilton Head Hospital and Coastal Carolina Hospital. The purpose of the display is to acquaint volunteers, staff and visitors to the hospital with the work that the Auxiliary does. You will find a short history of the Auxiliary as well as information on our Gift Shops, Golf Tournament, Children’s Memorial Garden, Women’s Health Program, Auxiliary Caring Touch Program, Trolley, Scholarship Program, Kids Capes for Courage, and a listing of all our current Volunteers.

Hilton Head Regional Healthcare News

The Cove
In April of this year, Hilton Head Regional Healthcare opened ‘The Cove’, a new 16-bed geriatric behavioral health unit located on the third floor of Hilton Head Hospital. The Cove offers individualized short-term care for older adults experiencing psychiatric symptoms requiring 24-hour inpatient treatment. This program is designed for adults 65 years of age and older who are experiencing emotional, behavioral or mental health issues such as social withdrawal, insomnia, suicidal thoughts, severe anxiety or dementia. Treatment includes psychiatric and physical assessment, group activities, individual and group therapy, as well as family education and support.

The Tidewatch Emergency Department
This month, the Tidewatch Emergency Department, or TED for short, was opened on Highway 170 in the Okatie area. This is a free-standing Emergency Department and is one of just a handful in the state of South Carolina. The Tidewatch is operated as a special extension of Coastal Carolina Hospital’s Emergency Department. The facility is dedicated to 24-hour emergency care and offers the same high quality treatment and diagnostic services of a hospital emergency department, with shorter wait times. Staffed by board-certified physicians and specially trained clinicians, the Emergency Department also features a full range of on-site diagnostic and lab services.

Junior Volunteer Program
We were excited to welcome 31 junior volunteers into our summer hospital program. These youth spanned the ages from high school students to college students. Junior volunteers worked in a variety of areas in the hospitals, including Materials Management, our Gift Shops, the Welcome Desk, patient units, Same Day Surgery, and even the Emergency Department. They typically gave four hours of service one to two days a week and were trained by experienced volunteers. This program provided students with the opportunity to learn how a hospital operates and what it takes to be in the medical field. (cont’d on next page)

Did you know?
In 2018, our volunteers gave over 28,000 hours of service. From January through July of 2019, our volunteers have given over 19,000 hours of service! Congratulations to our amazing volunteers!
Junior Volunteer Program (cont’d from page 6)

All junior volunteers go through a process of application, interview, TB testing/Employee Health clearance, and orientation before beginning an assignment. These are the same protocols that an employee must go through, which is a good learning experience for these young people. We are very glad to have had our junior volunteers with us this summer and look forward to welcoming them back next summer. A small number of our junior volunteers plan to continue with us during the school year as their schedules allow. This summer, our junior volunteers logged over 1300 hours of volunteer time.

Here is our list of summer junior volunteers and where they attended school:
