

Heritage Classic Foundation Partnership

The HH Hospital Auxiliary has recently been approved as a registered Charity of the Heritage Classic Foundation, a 501c3 nonprofit organization dedicated to supporting educational and charitable initiatives to enhance quality of life and economic vitality by hosting the RBC Heritage Presented by Boeing, South Carolina's only PGA TOUR golf tournament.

Founded in 1974, The Hospital Auxiliary supports the community by:

- Supporting our 150+ hospital volunteers
- Funding over \$800,000 in scholarships to students pursuing degrees in nursing and health care
- providing medication for those in need at Hilton Head and Coastal Carolina Hospitals, as well as Volunteers in Medicine Clinics in Hilton Head and Bluffton
- supporting breast cancer patients at the Breast Health Center at the Bluffton Medical Campus
- Maintaining the Children's Memorial Garden at Hilton Head Hospital

The primary source of funds for the Auxiliary has been our annual golf tournament and our hospital gift shops. "Birdies for Charity" and "Champions Fore Charity" provide additional fundraising mechanisms that are fun, fast, and easy – and the Heritage Classic Foundation will contribute an extra 10% on top of your donation.

Birdies for Charity

Participants make a pledge for every birdie made at the RBC Heritage presented by Boeing. In 2019, the pros made 1,354 birdies during the tournament. If 1,300 birdies are made during the 2021 event, here are the totals for some typical pledge amounts:

- 1 cent pledge = \$13.00 total pledge
- 3 cent pledge = \$39.00 total pledge
- 10 cent pledge = \$130.00 total pledge
- \$1.00 pledge = \$1,300 total pledge

Every penny counts – and all donations will be matched by 10% from the Heritage Classic Foundation.

Champions Fore Charity

The Heritage Champions Fore Charity program requires a minimum contribution of \$1,000. 100% of all donations go directly to the charity of your choice, and the Heritage Classic Foundation will contribute an extra 10% on top of your donation.
