History of the Tournament

A primary source of revenue to fund the Hospital Auxiliary programs is our annual golf tournament. The tournament was started as an 18-hole tournament at Harbour Town in 1986 by **Max Stein**. Max expanded the event to 36 holes in 1988 and continued to chair it until he was 90 years old. He then passed leadership on to **Lew Wessel** who managed it for 10 years.

In 2017, **Bob Elliott**, a retired senior marketing executive from Dow Chemical and member at Belfair, took over the reins as Tournament Director. Through his tireless perseverance, creativity and dedication, Bob has made the tournament more successful each year. He and his committee run a tournament that continues to have a sellout field of 260 every year because it combines two days of outstanding golf at a great price and at the best courses with a spirited, fun atmosphere.

Our tournament has become known as the most prestigious charity golf event on the island. In recent years we have been able to double the proceeds with the support of loyal golfers and sponsors.

We have added new levels of sponsorship opportunities ranging from \$500 to \$5,000. We encourage our sponsors to play in the golf event and have offered complimentary player spots at the various sponsor levels in addition to the promotion and recognition we provide.

Our initial goal was to provide nursing scholarships to attract new students and help to address the shortage of nurses in the Lowcountry. Over the years, a grand total of over \$860,000 has been raised since the tournament's inception. Now the Tournament Committee has set a goal of reaching \$1 million by the year 2022.

In 2020 we were able to extend our reach and support to the community by raising a record \$60,000, allocated as follows:

- **\$15,000** for the Nursing and Allied Health Program at the Technical College of the Lowcountry from our **Title and Presenting Sponsors**
- **\$12,000** for the Nursing Program at USC Beaufort from our tournament **Gold Sponsors**,
- **\$10,000** for Hilton Head Healthcare Extern Program from our **Title and Presenting Sponsors**,
- **\$16,000** in scholarships for qualified hospital volunteers and children of hospital employees to pursue degrees in the medical field from our **Platinum Sponsors**, and
- **\$7,000** for The Auxiliary Caring Touch Program (A.C.T.) and the Women's Health Program from our **Tournament Sponsors**.
