HISTORY OF THE TOURNAMENT

A primary source of revenue to fund the Hospital Auxiliary programs is our annual golf tournament. The tournament was started as an 18-hole tournament at Harbour Town in 1986 by **Max Stein**. Max expanded the event to 36 holes in 1988 and continued to chair it until he was 90 years old. He then passed leadership on to **Lew Wessel** who managed it for 10 years.

In 2017, **Bob Elliott**, a retired senior marketing executive from Dow Chemical and member at Belfair, took over the reins as Tournament Director. Through his tireless perseverance, creativity and dedication, Bob has made the tournament more successful each year. He and his committee run a tournament that continues to have a sellout field of 280 every year because it combines two days of outstanding golf at a great price and at the best courses with a spirited, fun atmosphere.

Our tournament has become known as the most prestigious charity golf event on the island. In recent years we have been able to double the proceeds with the support of loyal golfers and sponsors.

We have added new levels of sponsorship opportunities ranging from \$1,000 to \$5,000. We encourage our sponsors to play in the golf event and have offered complimentary player spots at the various sponsor levels in addition to the promotion and recognition we provide.

In 2022, the Committee will reach its goal of achieving \$1.0 Million in total contributions to the Hospital Auxiliary from the golf tournament over its 36 years. One of the major areas of focus is to provide nursing scholarships to students in an effort to reduce the tremendous shortfall which exists in our local communities.

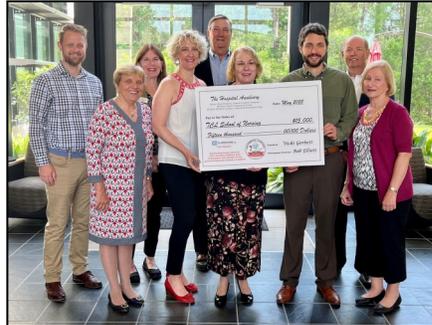

In 2021 we were able to extend our reach and support to the community by raising a record \$65,000, allocated as follows:

- **\$15,000** for the Nursing and Allied Health Program at the Technical College of the Lowcountry,
- **\$20,000** for the Nursing Program at USC Beaufort,
- **\$20,000** in scholarships for qualified hospital volunteers and children of hospital employees to pursue degrees in the medical field, and
- **\$10,000** for The Auxiliary Caring Touch Program (A.C.T.) and the Women's Health Program.

HOW DOES THE HOSPITAL AUXILIARY HELP THE COMMUNITY?

Over the past several years The Hospital Auxiliary has continued to expand its reach within the community and its impact. The Auxiliary:

- Supports a qualified volunteer staff to enhance the ongoing pursuit of excellence at our two hospitals, Hilton Head Hospital and Coastal Carolina Hospital, as well as the Bluffton-Okatie Outpatient Center, Bluffton Medical Campus, and the Tidewatch Emergency Department. Volunteers offer an extra dimension of care and service to patients, families and visitors and supportive services to medical staff.
- Provides scholarships for students entering the health care field.
- Partners with the Children’s Memorial Garden, a place created to honor and remember those sons and daughters who have passed.
- Operates the Auxiliary Gift Shops at both hospitals for the convenience of patients, visitors and staff.
- Furnishes transportation via “The Auxiliary Trolley” to drive patients and visitors to and from parking lots, physician offices and outpatient clinics (Hilton Head Hospital Campus).
- Promotes and supports women’s health issues through educational literature, informational programs and special needs.
- Administers and funds the Auxiliary Caring Touch Program (A.C.T.) which assists patients without sufficient funds or insurance with their prescription medicines or special equipment needs.
- In addition, under A.C.T., infant car seats are provided to patients who do not have the financial ability or access to programs which provide protective carriers for newborns.
- Provides funding to help other community agencies (Boys & Girls Club, Bluffton Township Fire Department, Volunteers in Medicine).

In addition to the programs listed above, there are new initiatives the Auxiliary has embarked on for 2022-23:

- The Auxiliary increased and expanded its contributions for nursing student scholarships at USCB including their Rural Campus in Walterboro, SC.
- The Auxiliary will partner with TCL and USCB to encourage and support high school students wishing to enter the medical profession and work with local guidance counselors.
- In 2022, the Auxiliary provided a special scholarship program to support nursing students from Hilton Head Island.
- The Auxiliary committed funds for the retention of nurses in primary health care on Hilton Head Island.
